**Sew Blocks #1 and #2 together, then sew those into rows. Continue until all of the rows create the main portion of the quilt top. Next sew the left and right Border #1 strips on, followed by the top and bottom Border #1, next add the left and right Border #2 and finally, the top and bottom Border #2.**

**You will have leftover fabric which you can use to substitute for any block colors, to make any border scrappy, add another scrappy border and/or piece a scrappy binding. Or use the leftover fabrics for part of a scrappy backing. Quilt as desired and finish with the binding!**
