Begin by sewing a Coral 2 5/8" square to a Tan 2 5/8" square, on EACH SIDE of the line you drew. Once done, cut the two triangles apart ON the line you drew.

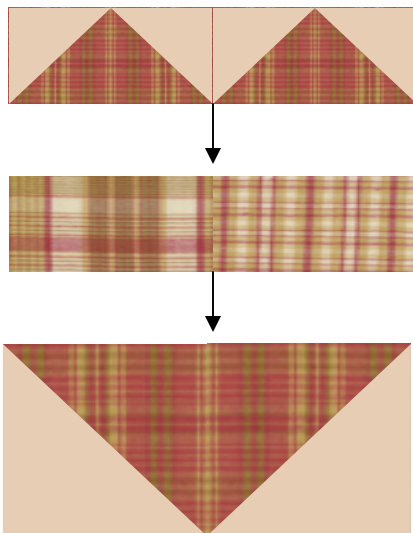

Repeat this for another set of 2 5/8" squares ... as well as with the larger Tan & Coral squares.

Once finished, you should have FOUR (4) small half-square triangles and TWO (2) larger half-square triangles.

If you'd like to embellish the block with 1/4" fusible biased tape, this is the pattern we used at BOMquilts.com. After pressing the biased tape into place, we ran a stitch over the top to secure it to the block.
