## "Santorini" Block #4

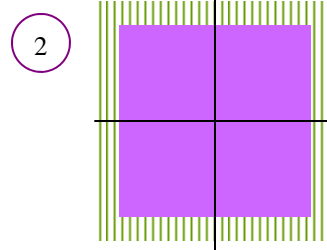

| Fabric       | Cut (most of the cuts on this quilt are made with a pinking rotary blade. You may use your own judgment as to how you want to cut your fabrics) |
|--------------|---|
| Purple       | ONE (1) 12" square  |
| Stripe       | TWO (2) 2" x 12" strips <b>AND</b> cut TWO (2) 2" x 15" strips  |
| Green        | FOUR (4) of the included template   |
| Green Center | ONE (1) 4" square   |

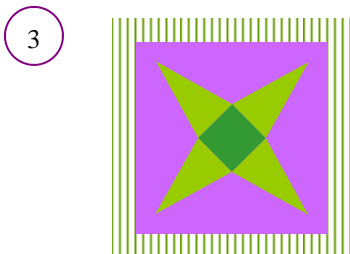

1

Sew the strips to the left & right sides of your pink block and then to the top & bottom of your block.

2

Use your iron to press your square in half twice, so you can center the design on the square.

3

Place your template pieces on the pressed lines and center as shown (centers touching), and sew into place with a straight stitch 1/4" (on the template piece) from the edge.

Press your block to remove the pressed lines and you're done!
