Black Stripe Border Daisies for top and bottom Border	Cut and piece TWO (2) 77 1/2" strips (width will be determined by your fussy cutting, should be close to 6 1/2" unfinished and 6" finished)
Black Stripe Border Green Diamonds	Cut and piece enough 2 1/2" strips to make your binding OR use some of your leftover fat quarter fabric to make a scrappy binding.

Fussy Cutting is a quilting term. It means you cut a specific spot of fabric to show in the quilt you are making. The sashing, borders and binding are made out of this fabric. Using the illustration above, fussy cut on the orange lines. Cut the entire TWO (2) yards of fabric this way.
