When putting your “Botanical Beauty” quilt top together, each block has long vertical sides and short vertical sides. To sew the squares and then the rows together, sew one long vertical side (either Twig in Iron or White) to a short vertical slide (either Twig in Iron or White). Press your fabric toward each additional fabric. For instance, when adding a border, press toward the border fabrics.

Next begin sewing your borders to the quilt top - always left & right then top & bottom.

Once your quilt top is completed, make a quilt sandwich (quilt top, batting, quilt backing) and quilt as desired. Finally, bind your “Botanical Beauty” quilt top!
