1

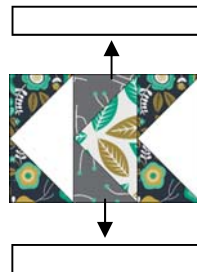

Place the 3 1/2" DAMASK IN CHARCOAL square on the 3 1/2" x 6 1/2" WHITE strip, matching up the two left corners of the two fabrics, right sides together. Sew the blocks together ONE the line you drew. Cut away the corner and press in the direction of the WHITE strip. Repeat for the opposite side of the WHITE strip except press toward the DAMASK IN CHARCOAL fabric. Follow these same instructions, substituting the WHITE fabric for the FERN IN WHITE fabric and substitute the FERN IN WHITE fabric for the TWIG IN IRON fabric. You will end up with THREE (3) flying geese strips.
