*When putting your "Shabby Love" quilt top together, press your fabric toward each additional fabric. For instance, when adding the vertical sashing, press toward the sashing...or when adding a border, press toward the board fabrics.*

*Add your vertical sashing to the quilt blocks to create rows. Then add horizontal sashing to connect one row to another. Always start with the center rows and work out. Next begin sewing your borders to the quilt top - always left & right then top & bottom.*

*Once your quilt top is completed, make a quilt sandwich (quilt top, batting, quilt backing) and quilt as desired. Finally, bind your "Shabby Love" quilt top!*
