## Piecing Your Block

All Seams 1/4"

1) Using a soft pencil or washable fabric marker and ruler, draw a single line from corner-to-corner on the wrong side of all **Color B** squares.

2) With right sides together, sew ALL **Color B** squares to all **Color F** squares, on EACH SIDE (with your 1/4" seam allowance) of the diagonal line that you drew. Once done, cut the square on the line that you drew and press toward Color F. Trim corners. Should have 8 half-triangle squares.

3) Piece your block as shown. Finished block will measure 24 1/2" x 24 1/2". MAKE FOUR (4) of these big blocks!
