

FQS Spencer's Museum Memories

A Museum-Quality Quilt with an Artistic Interpretation of Traditional Pieced Blocks
2006 Row of the Month Quilt from BOMQuilts.com &
FatQuarterShop.com

April 21, 2006 - Row 1

No cutting if you purchased the Spencer Museum Memories Charm Packs from FatQuarterShop.com! If you didn't, the squares are 5" each. And, we are going to piece 3 rows instead of just one (see circled image) - but, they are easy!

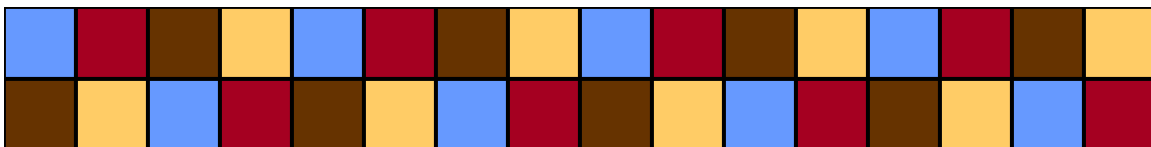

Sort your charm packs by color. You will need 16 charm squares per row. The top and bottom are single rows, the center row is 2 of these rows sewn together.

Sew your blocks with a 1/4" seam allowance. On the single rows (top & bottom), press to either direction. On the center double row, press the top row to the right and the bottom row to the left. You can piece your fabric colors however you so choose, this is the pattern that BOMquilts.com followed:

Top Row

Middle Row

Bottom Row

That's it for your first row instructions! Stay tuned on May 19 for the next set of row instructions!
