

FQS Spencer's Museum Memories

A Museum-Quality Quilt with an Artistic Interpretation of Traditional Pieced Blocks
2006 Row of the Month Quilt from BOMQuilts.com &
FatQuarterShop.com

June 16, 2006 - Row 3

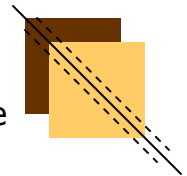

No cutting if you purchased the Spencer Museum Memories Charm Packs from FatQuarterShop.com! If you didn't, the squares are 5" each. And, we are going to piece 1 row (see circled image)!

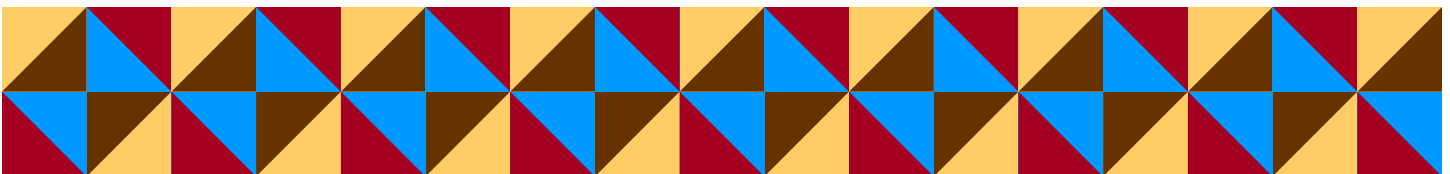

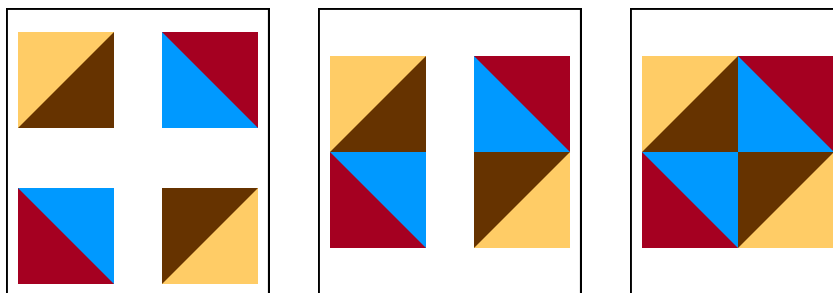

Sort your charm packs by color. You will need 34 charm squares for this row.

Mark the back of the fabrics with a diagonal line, from corner to corner, with a pencil or washable fabric marker.

Sew your blocks with a 1/4" seam allowance. These blocks are made up of half-square triangles. You will sew two charm squares together (color of choice) on BOTH sides of the line you drew. Once done, cut the squares ON the line you drew. Press seams to the darkest fabric.

Make half-square triangles out of all of your blocks, and then piece them as shown, pressing in opposite directions with your rows so as to reduce seam bulk.

That's it for your third row instructions! Stay tuned on July 14 for the next set of row instructions!
