Arbor Paisley Light Blue	Cut TWO (2) 3 1/2" x 10 1/4" strips

This block is made by piecing the two halves and then sewing them together in the center. Start by sewing the three strips together, then add the triangles. Instead of making diagonal 45° cuts in the strips, piece the two halves of the blocks together and trim the strips to match the edges of the upper and lower triangles. Press in the direction of the arrows.

This pattern has been tested, to the best of our ability. If your block does not come out the size shown, please try adjusting your needle position to the appropriate position (left or right)
