Finishing Instructions Part 2

NOTE: Always sew your rows starting from the CENTER ROW of the quilt and work toward the top and bottom rows. The LENGTH of your finished CENTER ROW will determine the length to cut for the horizontal sashing and border fabrics. The measurements on the previous page are guidelines - it's your CENTER ROW width that is important for the horizontal Sashing & Borders. Re-measure the center row each time you add a Border fabric.

Finishing Instructions

1. Sew the VERTICAL SASHING to the first & second blocks in each row.
2. Sew the rows together.
3. Sew the Border #1 left & right strips to the quilt top.
4. Sew the Border #1 top & bottom strips to the quilt top.
5. Sew the top Border #2 strip to the quilt.
6. Sew ONE (1) Cornerstone to TWO (2) of the Border #2 strips then sew them to the left and bottom of the quilt..
7. Sew TWO (2) Cornerstones to the remaining Border #2 strip then sew the final Border #2 strip to the quilt.
8. You should have enough leftover fabric for a scrappy backing!
9. Quilt as desired.
10. Finish the quilt with the scrappy Binding!
