Rainbow Plaid

Cutting for the Rainbow Plaid Block - these instructions are for ONE (1) block, remember to make FOUR (4) of these blocks!

Fabric	Cuts
Lt. Blue	Cut ONE (1) 14 1/2" square
Ribbons	Cut ONE (1) each of the ribbons you want in your quilt block - 1 1/4" x 16"

This is a very simple block to make if you use raw edge applique. Cut your ribbon strips out and place them on top of the Lt. Blue background block, remembering to WEAVE the ribbon strips in the center of the block as shown above. Stitch each ribbon down onto the Lt. Blue square with a straight stitch. Once done, trim the ribbon strips around the edges so your block maintains a 14 1/2" unfinished square. You can use fusible web to adhere your blocks to the background, or use temporary spray-on fabric glue.

This pattern has been tested, to the best of our ability. If your block does not come out the size shown, please try adjusting your needle position to the appropriate position (left or right) and see if you get the correct block size.
