### Introduction Page

This image shows one Block Set.

To make a table topper, make one Block Set  
(24" square before a Border and Binding)

To make a bed runner, depending on the size of the bed, make  
three or more Block Sets.

To make a lap quilt make four Block Sets.

To make a larger quilt, make the number of block sets that will  
create the size of quilt you desire.

This Block Set is very manageable if you lay out the pattern pieces and coordinate your sewing with each placement. Sew the inner star first, then sew the outer star to the inner star.
