Binding	Cut 2" x WOF strips and piece together to complete binding

- 1 Sew strips together. Remember to begin the next row from the opposite end as the row you just sewed to eliminate any "curl" of the fabric.

- 2 Next, create your sandwich with 100% cotton batting and backing and quilt the placemat. Quilt pattern suggestion, use a cross-hatch, 2" wide from corner-to-corner in both directions.

- 3 Finally, add your binding to complete your placemat!
