8" block = 33" x 33" finished wall hanging

12" block = 53" x 53" finished lap quilt

NOTE: We are not going to tell you what specific fabrics to use, we want to let your creative juices flow! We will use the following fabric names for the cuts – brown, red, cream, peach & green from the "Mistletoe Manor" fabric line by 3 Sisters for Moda Fabrics.

Cutting Instructions for 8" blocks

Fabric	Cut 1	Cut 2
Brown	Cut one (1) 8 7/8" x 8 7/8" square	Cut the large square diagonally from corner to corner, leaving you with 2 triangles (you only need 1 of these triangles for this block, save the other for another block)
Green	Cut three (3) 7" x 1 7/8" strips (you can really just cut the width and not worry about the length, as long as it's at least 7" long)	
Cream	Cut two (2) 12" x 1 7/8" strips	
Red	Cut ONE (1) 4 7/8" x 4 7/8" square	Cut square diagonally from corner to corner, leaving you with 2 triangles

Cutting Instructions for 12" blocks

Fabric	Cut 1	Cut 2
Brown	Cut one (1) 12 7/8" x 12 7/8" square	Cut the large square diagonally from corner to corner, leaving you with 2 triangles (you only need 1 of these triangles for this block, save the other for another block)

Piecing Instructions for Blocks

(all seams 1/4")

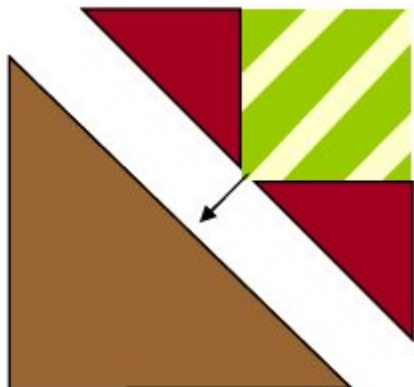

1) This is probably a bit unconventional compared to most pattern instructions, but I take the simplest way to quilting as is possible! Sew your cream and green strips together. It's easiest if you sew all of your strips together, alternating the colors. Press seams in either direction. Then, square up your block so that the strips run diagonally, and cut the block so that you end up with a 4 1/2" square for your corner.

2) Sew the candy stripe corner block to the red triangles, as shown, pressing towards the red triangles:

3) Finally, sew your red triangle to your Mistletoe in the Corner triangle, pressing towards the large red triangle.

Good Job! Time to Finish with sashing & borders!
